Good Design Awards

GOOD DESIGN Awards is a worldwide program that rewards innovative product and graphic designs. Every year, designers and manufacturers from over 30 countries are rewarded for their success in producing examples of contemporary design. Products that meet the evaluation criteria are awarded with the GOOD DESIGN award and the award-winning product is entitled to use the GOOD DESIGN logo rights. The product also has the chance to be a permanent part of the design collection of the Chicago Athenaeum Museum of Architecture and Design.

Reddot Design Award

The Red Dot Design Award is an international design award given by Design Zentrum Nordrhein Westfalen in Essen, Germany. The jury, which has been carefully selected every year since 1955, announces the best designs in 3 different categories: product designs, design agencies and design concepts. The winners are announced in a large ceremony and the products are exhibited at the Red Dot Design Museum in Essen.

Good Industrial Design

Winning the Good Industrial Design is a mark of excellence for designers, and is an indication of quality for the companies. The A Design Award is awarded to the best designs to the ones conceptual phase, prototypes or to the ones which are in the finished product phase. The A Award Award is produced using the latest production techniques, so that the innovative features of the winners are highlighted. The Superior Design Museum, was established in order to exhibit "Design Award to showcase winning designs. The Winner Award explains the type of award won and bears the signatures of the President, Vice President and Jury Coordinator of the A Award.

The International Design

The declared purpose of the International Design Award by Hettich and REHAU company: to support talents, to present tomorrow's trends and visions with new way of thinking. Since 1997, the competition has been inviting design students to the four corners of the world in order to produce innovative and unusual solutions for the future. It is one of the world's largest international design competition for students.

Design Turkey
